APPLIED THEATRE FOR TRAINERS · BROCHURE

Don't just talk about it. *Rehearse it.*

Role play, improvisation, theatre games and storytelling, for training that people join in, remember and use. A 1-day workshop and a 3-day trainer certification, led by Shilpi Khanna.

1-day workshop | 3-day certification | Open to every field | No acting experience needed

Shilpi Khanna
Founder of Unscripted and primary facilitator. Theatre-trained, Master Train the Trainer, 20 years in learning and development.

WHY APPLIED THEATRE, WHY NOW

The content is everywhere. *The experience is rare.*

AI can write a slide deck in seconds. What people still cannot get from a screen is the room: trying a hard conversation, feeling it go wrong, and getting it right on the second take. Trainers who can create that experience are the ones people remember, and the ones organisations rebook.

You do it

People step into the situation instead of hearing about it, so Monday feels familiar.

Safe to fail

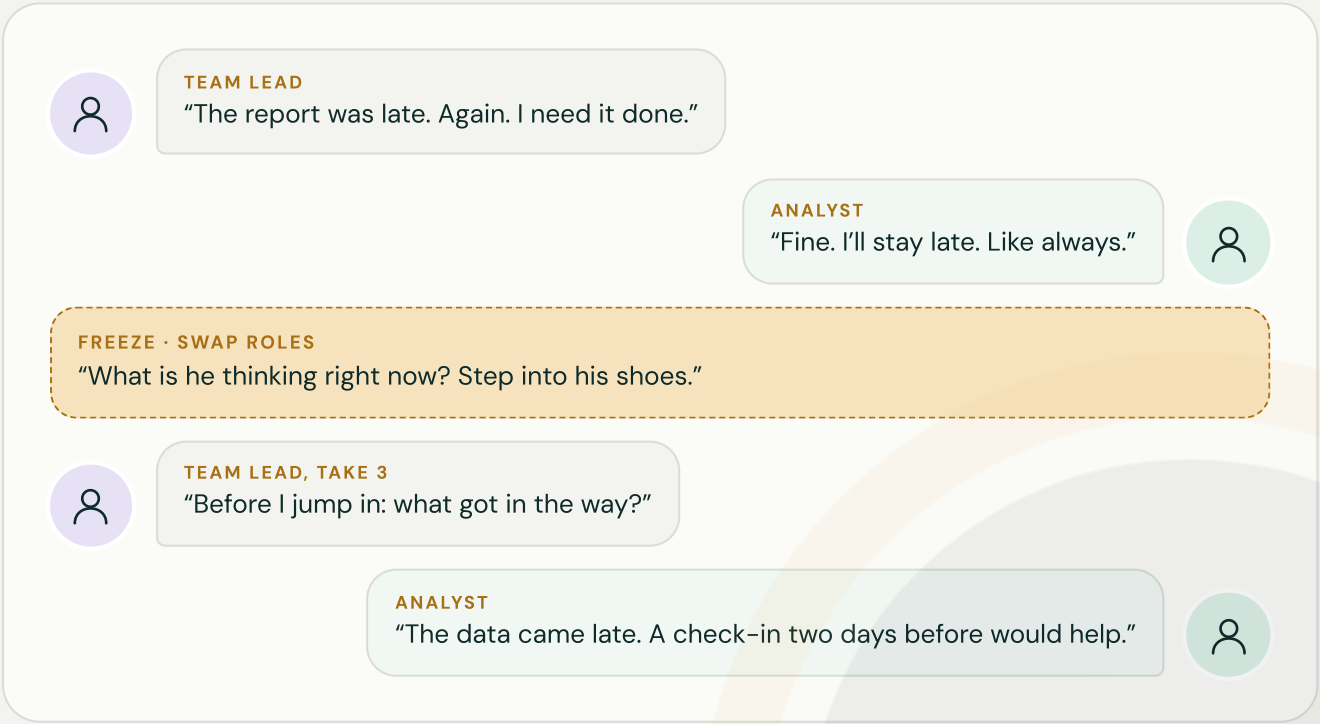

Pause, rewind and replay. Mistakes become the lesson, not the embarrassment.

It sticks

Emotion and movement help memory. People talk about the session for weeks.

WHAT IT FEELS LIKE

A missed deadline, in three takes

Same people. Same problem. *A different ending.* That is what you will learn to create.

GOOD TO KNOW

Questions, *answered*

Do I need acting experience?

No. This is about learning, not performing. Games start small and every activity has a quieter way to take part.

Is it safe for shy people?

Yes. Everything is an invitation. You can always watch first, and we never ask for personal or painful stories.

What certificate do I receive?

A certificate of participation for the workshop, and an Unscripted certificate in applied theatre facilitation for the certification, once you pass the practicum. These are professional training certificates from Unscripted, not an academic degree or diploma.

Can I start with the workshop and do the certification later?

Yes. Many people do. The workshop is a great first step.

Where and when?

We confirm dates, city and format with each group. Request fee details and we will send the next options.
